## Dick & Jenny's Foods and Wines of the World Cruise and Tour #2

We had such a wonderful time on our first food and wine river cruise last year that we decided to do another one in April 2018. This time we will start in the wine-making Bordeaux region of western France with a seven-day river cruise aboard the Viking Longship *Forseti*. From there we head south to the beautiful Basque region of northern Spain to visit San Sebastian. Did you know San Sebastian has three of Spain's seven Michelin three-star restaurants?

Our adventure is again hosted by Richard and Jenny Benz, proprietors of Dick and Jenny's Bake and Brew restaurant, and coordinated by Diane and Mark Francis, owners of Grand Island's Cruise Planners travel agency.

To learn more about Foods and Wines of the World #2, please join us at Dick and Jenny's:

**2pm Saturday, Feb. 11**  
**Dick and Jenny's Bake and Brew**  
**1270 Baseline Road, Grand Island**

We sincerely hope you can join us for an educational and fun afternoon. We have some surprises planned, too, so don't miss out.

**BULLETIN:** Viking Cruise Line is currently offering roundtrip airfare from Buffalo for \$395 (\$295 plus \$100 deviation fee). This promotional airfare expires Jan. 31. Viking has not yet announced whether it will offer promotional-rate airfare after that date.
